All elected officials, Judges, British Accreditation
Registry (BAR) Attorneys take an Oath to support
the Constitution of the United States and the
State of Wisconsin and have violated their sworn
duty. These severe violations no longer are
tolerated, nor are by my Consent. All of my rights
have been stripped of me ~~and~~ and my property

fast tracked to be unlawfully auctioned against my will. I was NOT allowed to go to my Court hearings on May 25 or July 11 2022, and intentionally denied my Constitutional Right to prosecute or defend my own cause in any of the courts of this state, as a human, in person-am, by a attorney, or either.

Through unlawful and unethical means, my person is falsely imprisoned where there is NO injured party other than myself, with excessive bail / bond, under inhuman conditions. And while imprisoned awaiting trial, my property, papers, home and personal effects were searched and seized and fast-tracked without due process for auction at the end of July, where the attorneys are poised to profit from my demise and without regard to my rights, my God-given freedoms, and without regard to the Supreme law of the land.

Arrest all treasurers, oath officers, officials, judges, lawyers, attorneys and seize all of their property and assets.
